August 19, 2022

We wish to inform you that Crown Capital Services will cease issuance of new finance quotes and Agreements effective September 1, 2022. The E-Quote Finance module will cease to be operational effective September 1, 2022.

We will continue to accept and process any Quotes or Finance Agreements issued prior to September 1, 2022 regardless of the policy effective date.

Operations for existing Accounts will not change. You and our Customers will continue to have access to Account information and the ability to make payments online just as you always have.

We are committed to providing the same level of service for all our Agents and mutual customers until all Accounts are paid in full.

We profoundly appreciate your support and the business relationships we built over the last 38 years. I can be contacted me with questions or concerns while we conclude our business operations.

Sincerely,

Shelley Hine
President
